## Beware of Removing Trees

Trees provide shade and beautify neighborhoods and a permit is required to remove a tree. The city of San Jose Code Enforcement investigates illegal tree removals and can issue citations to the property owner and the company that removed the tree.

Citation amounts are based on tree size and whether the violation is a first offense or a repeat offense.

## President's Message

Spring is finally here and it is beautiful. Things are really hopping at the Association. The pool will be opening soon, along with other family activities that we have planned. We've just had a very successful Neighborhood Watch Safety program and are planning a "Meet the Candidates" night so you can meet those running for District 2 of the

San Jose City Council. I and the other board members represent you and want your feedback and input. Our board meetings are the first Tuesday of each month at 7 p.m. And the first agenda item is always a time for homeowners to come speak to us. We hope you see you at the next meeting

on June 10th\*, even if you have nothing to share with us.

Your President,  
Guy Berry

\* June's Meeting will be on the second Tuesday because of the Election.

## Garbage and Recycle Bins

Please remember to bring your garbage and recycle bins in at the end of the day after pick up.

Leaving your cans out is unsightly and also hinders the street sweeper on street sweeping day.

We need Architectural Committee Members! If you frequently walk in the neighborhood you could be a huge help to us.

Please call the office at 224-9880 if you have any interest.
